CRCAC uses a tuition management program called FACTS, where families can set up monthly payments online. The 10-month payment plan starts August 2021 and ends May 2022. There is a 12 -month payment plan option that would begin June 2021 and ends May 2022. The application fee is non- refundable. The annual family registration fee is due upon enrollment.

Tuition discounts are available for families with multiple students in school (10% per child after the first one)
 Tuition assistance forms are filled out through the FACTS system; assistance is based on need and up to the discretion of the school tuition committee. There is a 10% discount for paying the entire tuition amount up front. A 5% discount is available for paying in two installment (August and January)
